# WELCOME TO INDIANS YOUTH BASEBALL CAMP!

We're very excited to welcome you and your family to Indians Youth Baseball summer camp. Throughout the week, we'll teach new skills, encourage new friendships and play some great baseball!

Please be sure to review this handbook. It has some helpful information about camp to make sure everyone is prepared and gets the most out of the program.

If you have any questions or if there's anything we can do to make your experience better, please feel free to reach out.

We hope you enjoy learning  
to play The Indians Way!

# GENERAL INFORMATION

## CAMP HOURS

9:00 a.m. – 3:00 p.m

\*Campers can arrive no earlier than 8:30 a.m. Please arrive on time each day for pickup (3 p.m.). Daily review starts at 2:50 p.m. Parents, guardians and family members are encouraged to be present, if possible.

## LUNCH & DRINK

Campers should bring a lunch and drink, marked with their name, in either an insulated cooler or an insulated lunch bag. Lunches will not be refrigerated, so we recommend also including ice or a freezer pack to keep the lunch and drink cool. Water will be provided, but we encourage bringing additional water to take along during the day.

## ITEMS NEEDED FOR CAMP

### INDIANS PROVIDE:

Shirt

Hat

(Both are encouraged to be worn each day, especially the last day of camp for a group picture)

### NEED TO BRING:

Glove

Bat

Sunscreen

Sneakers  
(for indoor use if needed)

Cleats  
(with rubber or plastic spikes, no metal spikes!)

Backpack, tote bag, or bat bag

# HEALTH GUIDELINES

## MEDICATION

- If a camper is taking any medication at camp, a medication consent form must be provided. Staff can only accept medication for which we have authorized medication consent.
- Medication must be given directly to an Indians Youth Baseball staff member on the first day of camp.
- Medication must be placed in a plastic bag with the camper's name on it along with detailed instructions.

## ILLNESS

To ensure the health and safety of all campers and staff, we request that your camper stay home to rest and recover upon the onset of the following conditions:

- A temperature of 100.5 or above

- Experiencing the contagious phase of any illness

Please contact the Indians Youth Baseball office at [mkata@indians.com](mailto:mkata@indians.com) or email [youthbaseball@indians.com](mailto:youthbaseball@indians.com) if your child will be absent from camp.

## GENERAL HEALTH

### Hydration

It's important to stay hydrated, and we encourage campers to drink water throughout the day. Water stations will be provided and Indians Youth Baseball staff will give frequent reminder and opportunities for water breaks during the day.

### Sunscreen Tips

Apply sunscreen in the morning, if needed, before camp. Sunscreen will not be provided.

## VISITING CAMP

Parents, guardians and family members are encouraged to stay, watch and visit at any time during camp. Make sure to see an Indians Youth Baseball staff member to obtain a visitors pass.
